Commission Is Created.

Martin or Sheehan Would Not Object to Being Retained.

Milholland, Brookfield and Other Republican Possibilities.

There is now a prospect that the Bi-Laulan Police bill, which has passed the Senate at Albany, will pass the Asmbly also, and there is a great deal of speculation as to the probable sucsors of the present Board of Police Commissioners if it becomes a law, That the Mayor will select practical

politicians who will look after the interests of party followers here is no

second avenue and Twentieth street, which is about to be opened for the purpose of medical instruction and the it purpose of file institution.

Through Mr. Levy's efforts the Club has grown to be one of the largest and most influential of the

Chance for Pantomime Discussion-Other Theatrical News.

Stagitis is the name given by a very bright humorist-not Jerome K. Jerome-to the fearful malady from which so many stage heroines die on the stage, week after week, and year after year. The peculiarity of it is," says this gen-leman, "that when the heroine is the stage, nobody ever thinks of sending appreciates this innovation. for medical assistance. The bystanders appear to regard it as a fatality which there is no use resisting. And, indeed, they are right, for when the dramatist dooms his heroine to dic-die she must.

It may be that she has taken a little poison, but nobody dreams of adminis-tering an emetic, or of sending for a America.

Medical School and Hospital will hold an informal reception from 4 until 6 o'clock this afternoon in the new building at Second avenue and Twentieth street, which is about to be opened for the care of the sick.

The building will be thrown open for the purpose of giving the invited guests at thorough idea of the plan and scope of the institution.

The following are the directors: D. B. St. John Roosa, Andrew H. Smith, L. Bolton Bangs, Bache McEvers Emmet, James L. Skillin, Carence C. Rice, George H. Fox. Seneca D. Powell, Henry H. Rogers.
